Parent Talk

Pastoral Counseling

Pastoral counseling is available from our ministers when you experience difficult times in life. Make an appointment by contacting a minister directly, or call the church office if you are in crisis.

Caring Committee

Our Caring Committee provides occasional rides to medical appointments, meals during severe illness or recovery, and visitors to those who have difficulty attending services.

If you are interested in any of these support activities, contact the Connections Coordinator at connect@uubloomington.org or (812) 332-3695 ext 203
