

# This August in Children's Religious Education

## Spark your cUUriosity

In August, our kids in **\*\*Preschool at 9:15am and Kindergarten-8th grade at 9:15 and 11:15am** are invited to participate in a workshop rotation model where multi-age kids are together in groups with a guide who travels with them to a new classroom to explore a different Curious Question each week.

### **Where have we been?**

Kids will participate in a scavenger hunt and learn about the history of our church and how it has changed over time.

### **Who are we?**

Special guests from the congregation will join us to share their stories as Unitarian Universalists. Kids will have the opportunity to practice their skills as interviewers.

### **What do we do?**

Volunteers from Green Grounds will be teaching kids about the ongoing permaculture projects around the church grounds and help them cultivate their green thumbs.

### **What do we hope for?**

Our Religious Education Vision Team will be encouraging kids to have fun and share their ideas for the future of the religious education program here.

### **11:15am– World of Wonder (Preschool) \*\***

Children are invited to stay in their familiar Spirit Play classroom with volunteers Margie Schrader and Gigi Kirkley and stoke their curiosity with stories about people, art and ritual that hold a special place for us here.

August 5th– Cookie Lynch and the Can Van

August 12th– The Self Hugging Tree

August 19th- Elizabeth Lion and the collection basket

August 26th– Water Communion
