

CHEERS TO YOU!

If the success of our virtual food and hygiene drives was to be measured by the relentless support of this congregation, we can say with certainty that the accumulation of these requested necessities has been nothing short of triumphant, for which we are very grateful.

However . . . the pandemic and life in general marches on. People are still homeless and in need of good nutrition. That is say, we will be continuing the virtual food drives for Shalom and our College Square Pantry until further notice. Our building is closed, but we have placed collection bins outside the building, under the northside porch near the portico entrance. Simply drive up and drop off your contributions- we are collecting donations from these bins daily.

UU COLLEGE SQUARE PANTRY

good chunky soups

tuna
