

Social Justice Moments and Announcements  
September 2022

At UUCB Social Justice is very important and is actively a component of congregational activities and indeed their spirituality for some. Thus, if it is, it should continue to be an important part of our Sunday services. We have developed a tradition of:

1. Monthly, regularly scheduled SJ Moments by task forces, typically the first Sunday of the month. See the SJ Moment Schedule, developed by task forces appropriate for their upcoming year's cycle.
2. <https://www.uubloomington.org/wp-content/uploads/2022/08/Social-Justice-Months-2022-23.pdf>
3. In addition when a timely need exists, special announcements are made.
  - a. These could be by a minister and incorporated in all or part of the service
  - b. by a board member as part of the announcements or
  - c. by a member(s) of the congregation with a special message. at some point in time in the service.

These announcements or short presentations could be on any or all timely Sundays.
