The 8th Principle was adopted by our church in December 2020: We, the members of the Unitarian Universalist Church of Bloomington, Indiana, covenant to affirm and promote: journeying toward spiritual wholeness by working to build a diverse multicultural Beloved Community by our actions that accountably dismantle racism and other oppressions in ourselves and our institutions.

- 8) Please comment on how your request aligns with our 8th Principle commitment and specifically mention if the request was co-created with people from historically marginalized and/or under-represented groups:

It is our hope that this prompt will encourage those submitting requests to consider how expenditures may promote the diverse community our congregation has committed to building—both in terms of who is included in the conversation and as a means of communicating to vendors that diversity is one factor we take into consideration when choosing where to procure goods and services. While lack of diversity will not be an automatic disqualifier, we believe asking about it is one way we can raise awareness and accelerate positive change. – UUCB SPF Committee
